Diesel Mechanic - Dublin 15 - from €800 per week

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

North West Garage in Dublin 15 is hiring a Diesel Mechanic.

Duties to include -

Diesel engine repair and servicing — injectors, DPF, turbos, EGR, glow plugs, fuel systems and common rail diagnostics. Vans and light commercials as well as cars, plus NCT preparation, fault rectification and re-test work.

Experience working on diesel engines in a garage or workshop. A trade qualification is a plus, but solid hands-on experience matters most.

Confident with diagnostic equipment and diesel fault finding

Ability to diagnose and repair without constant supervision

Own hand tools an advantage

Full driving licence

Working English, or the willingness to improve it

What we offer -

From €800 per week, depending on experience

Monday to Friday 9:00-18:00, Saturday 9:00-14:00

Permanent, full-time position, properly registered (PAYE)

Overtime available

Fully equipped workshop, lifts and diagnostic equipment

Support with training and manufacturer courses

Busy, steady workload all year round

Applicant must be legally entitled to work within Ireland and the EU.

Send your CV by WhatsApp to 085 818 2839, or by email to nctpass.ie@gmail.com. You can also call the same number.
