Job Description

North West Garage in Dublin 15 is hiring an Auto Electrician.

The role -

Electrical fault diagnosis, wiring and loom repair, ECU and sensor work, coding and programming, battery and charging systems, lighting, immobiliser and central locking faults, plus NCT preparation and re-test work.

Experience in automotive electrics and diagnostics. A trade qualification is a plus, but solid hands-on experience matters most.

Confident using diagnostic equipment and reading wiring diagrams

Ability to trace and repair faults without constant supervision

Own hand tools an advantage

Full driving licence

Working English, or the willingness to improve it

What we offer -

From €800 per week, depending on experience

Monday to Friday 9:00-18:00, Saturday 9:00-14:00

Permanent, full-time position, properly registered (PAYE)

Overtime available

Fully equipped workshop, lifts and diagnostic equipment

Support with training and manufacturer courses

Busy, steady workload all year round

Applicant must be legally entitled to work within Ireland and the EU.

Send your CV by WhatsApp to 085 818 2839, or by email to nctpass.ie@gmail.com. You can also call the same number.
