Stone Mason

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking an experienced Stone Mason to join our team.

The successful candidate will carry out brick and block laying duties on residential and commercial construction projects.

Main duties include:

Laying bricks and concrete blocks accurately according to drawings and specifications.

Preparing mortar and materials required for the work.

Measuring and setting out work areas.

Building walls, partitions and other masonry structures.

Checking line, level and alignment throughout the work.

Cutting and shaping bricks and blocks where required.

Repairing and maintaining existing brick and block structures.

Reading and following construction drawings and specifications.

Maintaining a clean and organised work area.

Working effectively with other members of the construction team.

Following all site health and safety requirements.

- **Sector:** construction
