Job Description

The Galtee Group is currently recruiting CNC Operators for their sites located at Galtee Wood & Veneer Cork Road, Ballylanders, Co. Limerick, V35 TF76.

Key responsibilities for this role include:

Operate CNC machinery to manufacture timber panels and components to specification, including setting up machines, loading programs accurately, and reading and interpreting technical drawings and production instructions.

Carry out quality checks throughout the production process, perform basic machine maintenance.

Strong attention to detail and commitment to quality, with a good understanding of health and safety procedures, and a reliable, hardworking approach with the ability to work effectively as part of a team.

Qualifications & Requirements: Proven experience operating and programming woodworking CNC machinery (ideally 2- 5 years) within a timber or manufacturing environment.

Ability to read technical drawings with strong attention to detail. Good understanding of health and safety procedures, with a reliable, hardworking approach and the ability to work effectively as part of a team.

Total remuneration for this full time permanent role is €36,605 per annum based on a standard 39 hour week.

If you feel you feel like you have the right qualifications for this role, please apply in confidence with your CV

to sofia@potentialresources.com.
