Shuttering Carpenters

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, Donnelly Civil Engineering Limited, based in Sallins, Co. Kildare, is currently seeking Shuttering Carpenters for immediate start at their facility in Sallins, Co. Kildare, and various sites around Ireland as per current projects.

Qualifications:

Minimum of 3 years' experience as a Shuttering Carpenter in a previous role required. There are no minimum academic requirements. No formal qualification is required for this role. Further training will be provided on-the-job as required.

General Duties / Responsibilities / Experience:

To construct, install, and repair a variety of commercial and industrial structures and fixtures using wood, steel and concrete

To assemble and create wooden elements for the construction of buildings

To cut, shape, assemble, erect and maintain various types of structures and fittings made from wood and other materials

To make, alter and repair structural and other woodwork at a workbench or on a construction site

To construct, erect and install heavy-framed wooden structures on building sites

- To fit, assemble and alter internal and external fixtures of buildings such as walls, doors, frames and panelling

Essential knowledge includes types of wood, wood cuts and woodworking tools

Essential skills include sawing, measuring, sketching and reading blueprints

Candidate must be competent in creating wood joints, installing wood elements in structures and interpreting 2D & 3D plans

Candidate must have experience in installing construction profiles, installing wood elements in structures and creating smooth wood surface

Candidate must be familiar with and competent to implement all relevant construction health and safety procedures

Minimum 3 years of relevant experience as a Shuttering Carpenter

Annual Remuneration: €46,704.84; Pay Rate €23.03 per hour

Work Location: Donnelly Civil Engineering Limited, Sherlockstown Road, Prospect, Sallins, Co. Kildare.

Number of hours work each week: 39

If you're interested in this role, please apply with an up-to-date CV to info@crewitresourcing.com or call 019020688 to enquire for more details.
