Pipe Fitters

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, Donnelly Civil Engineering Limited, based in Sallins, Co. Kildare, is currently seeking Pipe Fitters for immediate start at their facility in Sallins, Co. Kildare.

Qualifications:

No formal qualifications are required. Minimum of 2 years' experience in the same or similar role is required. Additional training will be provided on-the-job.

General Duties / Responsibilities / Experience:

- To assemble, install, repair and maintain pipe systems, drains, gutters, ducts and related fittings or water, gas, drainage, sewerage and hvac systems

- To examine blueprints and drawings to determine the layout of plumbing and ventilation systems and the materials required

- To measure, cut, thread, bend, joint, assemble and install pipes, fittings and fixtures

- To lay clay, concrete or cast-iron pipes in ditches to form sewers, drains or water mains

- To inspect, examine and test installed systems and pipes using pressure gauge, hydrostatic testing and observation methods

Essential knowledge for the role includes technical drawings, isometric perspective, health and safety hazards underground, and geometry

Essential skills for the role include application of health & safety standards, assembly of manufactured pipeline parts, measurement of parts, and detection of flows in pipeline infrastructure

Candidates must be able to operate soldering equipment, welding equipment and rigging equipment, and use metal bending techniques

Candidates must be competent to interpret specifications such as pneumatics and hydraulics for installation on site according to the safety and production requirements

Candidates must have prior experience in laying deep foul and surface water sewer pipes, building foul and surface water manholes

Candidates must have experience in laying hdpe watermain, and in welding and testing watermain

2 years of previous relevant experience as a Pipe Fitter or similar is required

Annual Remuneration: €46,704.84; Pay Rate €23.03 per hour

Work Location: Donnelly Civil Engineering Limited, Sherlockstown Road, Prospect, Sallins, Co. Kildare.

Number of hours work each week: 39

If you're interested in this role, please apply with an up-to-date CV to info@crewitresourcing.com or call 019020688 to enquire for more details.
