Safety Manager

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

KSH Group , a registered employer in Ireland, is seeking an experienced Safety Manager to join our operational team.

Hours: 39 hours per week.

The successful candidate will oversee, implement, and monitor all workplace environmental, health, and safety (EHS) policies and operational protocols to ensure strict compliance with Irish health and safety legislation.

Key Responsibilities:

Lead, implement, and maintain health and safety management systems and risk assessments across site operations.

Ensure full compliance with the Health and Safety Authority (HSA) guidelines and Irish safety regulations.

Conduct regular safety audits, workplace inspections, and incident investigations.

Develop and deliver safety training programs, staff inductions, and emergency procedures.

Oversee safety protocols for multi-lingual operational teams, ensuring clear safety communication and compliance.

Maintain all required regulatory compliance documentation, incident reports, and risk registers.

Requirements:

Relevant qualification in Occupational Health & Safety, Engineering, or a related discipline.

Minimum 3–5 years of practical experience in a Health & Safety supervisory or managerial role.

In-depth knowledge of Irish health and safety regulatory frameworks.

Professional fluency in spoken and written English.

Fluency in Portuguese (spoken and written) desirable to safely

supervise and communicate safety protocols to Portuguese-speaking

operational teams.

Strong leadership, problem-solving, and organizational skills.
