Construction Site Supervisor – Underground Utilities

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Civil X Utilities Limited, Murmod, Virginia, Co. Cavan, Ireland, requires a Construction Site Supervisor to supervise underground utility and associated civil works. Duties include allocating daily work, supervising construction crews, coordinating subcontractors and plant, interpreting drawings, conducting toolbox talks and safety inspections, monitoring utility installation and reinstatement works, inspecting quality and maintaining site progress records. A minimum of 2 years' experience in a similar construction supervisory role is required. Suitable references of experience are essential. Candidates must be capable of coordinating works independently and familiar with health and safety requirements in Ireland. Salary: €48,144.72 per annum (€23.74 per hour), based on a 39-hour week.
