Shuttering Carpenters

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client, Thermo House Limited, based in Killarney, Co. Kerry, is currently seeking Shuttering Carpenters for immediate start at their facility in Killarney, Co. Kerry, and various sites around Ireland as per current projects.

Qualifications:

Minimum of 3 years' experience as a Shuttering Carpenter in a previous role required. There are no minimum academic requirements. No formal qualification is required for this role. Further training will be provided on-the-job as required.

General Duties / Responsibilities / Experience:

- To construct, install, and repair a variety of commercial and industrial structures and fixtures using ICF (Insulated Concrete Formwork), wood, steel and concrete
- To assemble and create wooden elements for the construction of buildings
- To cut, shape, assemble, erect and maintain various types of structures and fittings made from ICF, Wood and other materials
- To make, alter and repair structural and other woodwork at a workbench or on a construction site
- To construct, erect and install heavy-framed wooden & ICF structures on building sites
- To fit, assemble and alter internal and external fixtures of buildings such as walls, doors, frames and panelling
- Essential knowledge includes types of ICF, wood, wood cuts, and woodworking tools
- Essential skills include sawing, measuring, sketching and reading blueprints

- Candidate must be competent in creating wood joints, installing wood elements in structures and interpreting 2D & 3D plans
- Candidate must have experience in installing construction profiles, installing wood elements in structures and creating smooth wood surface
- Candidate must be familiar with and competent to implement all relevant construction health and safety procedures
- Minimum 3 years of relevant experience as a Shuttering Carpenter

Annual Remuneration: €45,264.96; Pay rate €22.32 per hour

Work Location: Thermo House Limited, Coolcaslagh, Killarney, Co. Kerry, V93 XK82, and various sites in Ireland as per current projects.

Number of hours work each week: 39

If you're interested in this role, please apply with an up-to-date CV to info@crewitresourcing.com or call 019020688 to enquire for more details.
