In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring Electrical Technicians on behalf of Shelbourne Engineering Limited, Unit D2 Station Road Business Park, Dublin 22, Clondalkin, Dublin D22 AK70. The successful candidate will be responsible for installing, maintaining, and repairing electrical systems in residential, commercial, and/or industrial properties while ensuring all work is completed safely and to a high standard. Applicants should have relevant electrical qualifications, experience in fault finding and testing, and a good understanding of current electrical regulations. The ideal candidate will be dependable, able to work independently or as part of a team, and committed to delivering excellent customer service. This is a full time position, 39 hours per week and annual salary of €36,605 - €40,000. Interested applicants please send your CV to info@aureolglobalconnections.com
