Core Driller

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are actively seeking employees in Dublin for a facade insulation company to fill the following positions:

- Core drill machine operator

Safe Pass and manual handling certification are required, but if you don't have them yet, we can help you get them.

A Category B driver's license is required for this position, as well as a solid foundation in English - at least at a conversational level!

If you don't have experience, we will provide training.

The only requirement is accuracy and attention to detail.

What we provide:

- A registered workplace
- An employment contract
- 1 week of paid vacation after every 3 months of work (i.e., 4 weeks per year)
- Payment for bank holidays (10 per year)
- Occupational safety training (with a Hungarian interpreter if necessary)
- Safety equipment

- **Sector:** construction

Career Level

- Experienced [Non-Managerial]
