Electric Motor Rewinder

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Bandon Rewinds Ltd are looking for a Motor Rewinder to join the team in our workshop based in Bandon Co Cork. The ideal candidate must have experience in electric motor rewinds, single and three phase. The scope of this work would include the running off and fitting of coils, cutting and fitting of insulation, the motor connection. Working knowledge of aspects of electro mechanical equipment (motors, pumps, gearboxes, fans, generators) would be an advantage. This would include fault finding and changing of bearings, lip seals and mechanical seals.

The ideal candidate must have

Excellent communication skills - verbal and written a must

Ability to work on own initiative or as part of a team unit while also working to a set timeframe

Flexibility in working practices and working hours

- **Sector:** other service activities

Career Level

- Experienced [Non-Managerial]
