Job Description

Efficient Renewables is looking for a qualified plumber who will be responsible for installing, maintaining, and servicing renewable energy and plumbing systems for various domestic and commercial projects throughout Ireland. This role involves working with cutting-edge technologies and ensuring the highest standard of workmanship and customer service. You will be responsible for:

- Installing and commissioning heat pumps, underfloor heating and renewable energy systems.

You will execute plumbing and pipework installations.

Service, maintain, and troubleshoot heating and plumbing systems.

Read and interpret technical drawings and specifications.

Ensure compliance with health and safety regulations.

Provide excellent customer service and maintain strong client relationships.

Complete required documentation and reports accurately.

Address: Efficient Renewables, Unit 2, Main Street, Newtowncunningham, Donegal F93 E4W8

Annual Wage: €36,605 per annum based on a 39-hour work week.

Hourly Wage: €18.05
