Portable Appliance Testing (PAT) Technician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

About PATCert:

PATCert provides professional Portable Appliance Testing services across Ireland, ensuring electrical equipment is safe, compliant, and fully documented.

The Role:

We are looking for a motivated PAT Testing & Electrical Technician to visit client sites, inspect, test, and document electrical equipment.

Key Responsibilities:

Carry out in-service inspection and testing of electrical equipment (PAT testing).

Record test results and provide reports with recommendations for corrective actions.

Maintain company equipment and deliver professional service on site.

Work efficiently across commercial and industrial environments.

Requirements:

Experience in PAT testing or an electrical qualification (essential).

Full clean driving licence.

Strong attention to detail and organisational skills.

Professional communication with clients.

Safe Pass and Manual Handling (or willingness to obtain).

Ability to work independently and manage daily schedules.

What We Offer:

€45,000 salary for the right candidate.

Company van and phone provided, plus all testing equipment.

Training and ongoing support.

Varied work across multiple industries.

Long-term career opportunity in a growing company.

To apply: Send your CV and a short cover note to info@patcert.ie
