Social and recreational activities

Support nursing staff in delivering high-quality, resident-focused care.

Maintain residents' privacy, dignity and independence at all times.

Develop respectful and positive relationships with residents.

Report any concerns regarding residents to the nurse in charge.

Report hazards, faulty equipment or maintenance issues appropriately.

Help maintain a clean, safe and comfortable environment.

Follow Infection Prevention and Control policies and procedures.

Maintain accurate records relating to resident care.

Maintain confidentiality at all times.

Read and follow Beechtree policies and procedures.

Participate in training, education and in-service development.

Keep up to date with current care practices.

Work effectively with nursing, catering, administrative, maintenance and pastoral care teams.

Skills & Qualifications

We are looking for candidates who have:

Some experience working in the care of older people.

A kind, caring and compassionate nature.

Excellent communication and interpersonal skills.

A strong commitment to providing person-centered care.

FETAC Level 5 / QQI Level 5 or equivalent

What We Are Looking For

If you are compassionate, reliable and committed to making a positive difference to the lives of older people, we would love to hear from you.
