Metal Fabricator/ Welder

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

LMH Engineering Limited currently has opportunities for experienced Metal Fabricators/ Welders to work in our busy Production facility in Arklow, Co. Wicklow.

Over the last 60 years LMH Engineering Ltd. has grown to become one of Ireland's leading mechanical and structural engineering companies.

We provide a comprehensive range of engineering services to clients across Ireland and Europe. Our offering includes end-to-end solutions in advanced design, engineering, BIM modelling, manufacturing and installation. We support a diverse portfolio of industries including Biomass, Data Centres, Mining, Pharmaceutical, Ports and Power Generation.

LMH Engineering Ltd. Supply high-quality engineered steel solutions to major construction and industrial projects across Ireland and Europe.

Due to continued growth, we are currently recruiting experienced Metal Fabricators / Welders to join our expanding production team in Arklow, Co. Wicklow

The Role:

The successful candidates will work within our offsite manufacturing facility fabricating steel components to high quality and safety standards in a fast-paced production environment.

Key Responsibilities

Fabrication and assembly of secondary steel components

MIG welding and general workshop fabrication

Reading and interpreting engineering drawings

Operating fabrication machinery and hand tools safely

Ensuring all work meets company quality standards

Supporting production schedules and team targets

Maintaining a safe and clean working environment

Candidate Requirements/Qualifications:

Experience in metal fabrication and welding

Ability to read fabrication and engineering drawings

Strong attention to detail and quality workmanship

Reliable, motivated, and safety conscious

Ability to work independently and within a team

Safe Pass and Manual Handling advantageous but not essential

What We Offer:

Competitive pay packages

Overtime opportunities

Stable long-term employment

Modern offsite manufacturing environment

Career progression opportunities

Supportive team culture

Location:

IDA Business & Technology Park

Ballynattin Road

Arklow, Co. Wicklow

Salary: €36,605 - €45,000 (depending on experience)

Working Hours: 39 hours per week

- **Sector:** manufacturing

Career Level

- Experienced [Non-Managerial]
