In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring CNC Operator on behalf of Kel-Tech Engineering (Waterford) Limited, Units 37-38, Waterford Industrial Park, Cork Road, Waterford, Ireland X91 XYN5. In this role, you will be responsible for operating and monitoring CNC machinery to produce precision components according to engineering drawings and specifications. The ideal candidate will have experience setting up machines, loading materials, performing quality checks, and making minor adjustments to maintain production accuracy and efficiency. You should possess mechanical aptitude, the ability to read technical drawings and measuring instruments, and a commitment to maintaining high safety and quality standards. This position requires excellent attention to detail, problem-solving skills, and the ability to work effectively in a fast-paced production environment. 39 hours per week and annual salary of €36,605 - €40,000. Interested applicants please send your CV to info@aureolglobalconnections.com.
