Carpenter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Kilgobbin Castle Holdings Ltd T/A Insulex are seeking a Carpenter for their site located at Kilgobbin, Ballinadee, Bandon, Co. Cork.

The role involves carrying out essential structural, internal, and external carpentry work to support the company's insulation and energy-efficiency projects.

The successful candidate will work as part of a high-performance team, delivering premium workmanship across projects.

Job description as follows:

Window & Door Installation

- Removal and disposal of existing, inefficient timber or old uPVC windows and doors.
- Precision fitting and sealing of new, high-performance uPVC and composite external doors and windows to meet strict airtightness standards.
- Structural preparation and installation of Velux roof windows, ensuring structural integrity and weatherproofing.

Roofing, Ventilation & External Timber Works

- Modifying and preparing roof structures for the integration of roof vents and specialized insulation materials.
- Removing and replacing worn fascia, soffit, and downpipes to protect structural eaves.
- Constructing timber boxing and framing to house mechanical ventilation pipes and heat recovery systems cleanly.

Internal Works & Retrofit Support

- Erecting timber stud walls and frame systems designed to house internal dry-lining and high-density insulation materials.
- Executing the cutting, fitting, and hanging of internal doors, skirting boards, architraves, and window boards.

Remuneration is between €36,605 and €48,500 per annum depending on experience and based on

a standard 39 hours per week.
