Job Description

Key Responsibilities

Install vinyl graphics, vehicle wraps, decals, lettering and fleet branding on cars, vans and other commercial vehicles.

Prepare vehicle body surfaces before installation by cleaning, inspecting and ensuring surfaces are suitable for the application of graphics and decorative vinyl materials.

Read and interpret job specifications, work dockets, measurements and installation instructions before commencing each project.

Accurately position, align and apply graphics and vinyl materials to vehicle body panels to achieve the required design and finish.

Cut, trim, shape and finish vinyl around vehicle panels, doors, windows, edges, recesses and other exterior fittings.

Remove or temporarily adjust suitable external fittings where required to achieve a professional installation and refit them following completion of the work.

Use appropriate hand tools, application equipment and specialist installation techniques to complete vehicle graphics and wrapping work safely and accurately.

Inspect vehicle surfaces and completed installations for alignment, adhesion, finish and overall quality, correcting any defects or installation issues where required.

Remove existing vehicle graphics, vinyl or branding and prepare the vehicle surface for replacement graphics where required.

Carry out fleet branding projects involving multiple vehicles while maintaining consistent positioning, appearance and quality across the fleet.

Identify potential installation or quality issues in advance and liaise with the production and sales teams where clarification or corrective action is required.

Update job progress and completion information on the company's management information system.

Ensure all work is carried out in accordance with company quality procedures and applicable Health, Safety and Environmental requirements.

Represent the company professionally when working at customer premises and ensure completed

work meets both company and customer specifications.

Deliver completed signage, printed products or other customer orders where required and obtain appropriate delivery confirmation.

Requirements

Minimum 1 year of experience in vehicle graphics installation, vehicle wrapping, fleet branding or a closely related graphics installation role.

Demonstrable experience applying vinyl graphics and decorative materials to cars, vans and commercial vehicle bodywork.

Strong practical skills in vehicle surface preparation, vinyl application, trimming, finishing and quality control.
