Job Description

Job Title: Plumber – Soc 5314

Company: Crowley Services Dublin Limited

Location: Unit 49, Boeing Road, Airways Industrial Estate, Dublin 17, D17 DX34

Job Description

Crowley Services Dublin Limited is looking for a Plumber to perform the installation, maintenance and repair of water, sewage and drainage systems in residential, commercial and industrial properties. This is a field-based role involving inspections, routine maintenance, drainage repairs and responding to emergency call-outs.

Responsibilities

Examine drawings and technical specifications to determine system layout

Measure and cut required lengths of copper, steel, iron, aluminium and plastic piping using hand and machine tools

Install and maintain fittings including storage tanks, toilets, baths, taps, valves, boilers, radiators and drainage systems

Attach fittings and join piping by welding, soldering, cementing, fusing, screwing or other approved methods

Test completed installations for leaks and carry out necessary adjustments

Repair burst pipes, mechanical faults and replace faulty taps, washers, valves and pipe sections

Carry out drain inspections and clear blocked drains using jetting and vacuum equipment

Respond to emergency call-outs and routine maintenance requests

Ensure compliance with all health and safety regulations

Complete service documentation and maintain accurate records

Job Requirements:

1-2 years' of relevant experience as a Plumber is preferred but not essential.

There are no formal academic requirements

Training will be provided if necessary

Willingness to learn and ability to work well within a team.

Salary: €36,605 per year, €18.05 per hour

Hours: 39 hours per week

Start date: 09/11/2026
