Temporary Production Operators

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Contract Positions – Starting end of Sept / early Oct

Duration: Fixed Term, until the end of January 2027

The Production Operator performs day-to-day manufacturing operations in the audiophile production department. This involves working on the assembly of semi-finished and finished products using a machine and/or performs routine assembly tasks in various product assembly areas.

Primary Responsibilities

- Assemble product to agreed output and specific quality standards.
- Process steps include:
 - Assembly (manual & machine operations),
 - Testing.
 - Packing.
- Maintain accurate production, quality and training records.
- Achieve daily/weekly targets through effective teamwork.
- Handles stock in a careful and safe manner, conscious of quality and eliminating damage to parts and maintaining stock accuracy.
- Adhere to all safety & housekeeping rules and procedures. Ensure that work areas and equipment are maintained in accordance with company requirements e.g health & safety, 5S.

Your Profile:

- Previous manufacturing experience is advantageous but not essential.
- Results focused and takes timely action.
- Learning mindset - Learns quickly; enjoys challenges and approaches them openly; quickly grasps new topics / essence of things.
- Basic computer skills.
- Attention to detail with a focus on high-quality work.

- Ability to communicate effectively in the English, verbally and in writing and interpret standard operating procedures.

Appointment to positions is subject to due diligence checks including pre-employment medical, reference checks and right to work checks (valid work permit / Visa for the duration of the contract)

Closing date for applications is Sunday 13th September 2026
