Mason

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are currently looking for 2 experienced Mason to join our construction team in Ireland. The successful candidates will be responsible for constructing, repairing, and maintaining brick, block, stone, and concrete structures on residential, commercial, and civil engineering projects.

Key Duties and Responsibilities

- Lay bricks, concrete blocks, and stone according to drawings and specifications.
- Construct walls, partitions, chimneys, foundations, and other structures.
- Measure and cut materials to required dimensions.
- Mix and apply mortar and other bonding materials.
- Repair and restore masonry structures.
- Read and interpret construction drawings and plans.
- Ensure compliance with health and safety regulations on site.
- Work effectively as part of a construction team.

Requirements

- Minimum 2 years' experience as a Mason, Bricklayer, or Stone Mason.
- Ability to read and interpret construction drawings.
- Knowledge of masonry techniques and construction materials.
- Good attention to detail and workmanship.
- Ability to work independently and as part of a team.
- English language skills sufficient for workplace communication.

Interested candidate, please apply with CV and Cover Letter.
