Motor Vehicle Technician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Autoglass Ireland Holdings Ltd requires multiple Motor Vehicle Technician roles for their premises at Unit G9 Calmount Avenue, Ballymount Drive, Ballymount, Dublin.

The salary range starts from €36,605 (18.05/hr) to €54,000 (26.63/hr) based on a 39-hour week.

Salary will increase proportionately if additional hours are required.

Salary offered shall be based on relevant experience and qualifications.

Job Description - Talented and friendly technicians are what makes our business so successful here at Autoglass® Ireland. As the market leader in Vehicle Glass Repair, Replacement and Recalibration (VGRRR) services in Ireland, we train our people to fit and repair glass to the highest standards. So, whether you're an experienced fitter or someone who's looking to take their first steps in a new career, we can offer you an exciting role which will challenge you to reach new heights of professional skill. Based either in one of our depots or out and about meeting customers at their home or place of work, you'll be repairing or replacing vehicle glass to the highest standards with industry-leading technology and tools. Collaboration is part of our DNA and you'll be working alongside different teams including our customer service centre and district support teams to ensure we always make a difference with real care.

Repairing or replacing vehicle glass to the highest standards with industry-leading technology and tools. Collaboration with customer service centre and district support teams.
