Job Description

Mediavest Ltd is seeking an experienced Research Manager.

Research Manager responsible for leading end-to-end research projects, including qualitative and quantitative studies, market analysis, and consumer insights. Works closely with clients to define research objectives, develop methodologies, analyse data, and deliver actionable recommendations that support business and marketing strategies. Manages multiple projects simultaneously, oversees budgets and timelines, presents findings to senior stakeholders, and supports business development activities. Provides leadership and mentoring to junior researchers while ensuring high standards of research quality, project delivery, and client service.

The ideal candidate will have:

- 2+ years' experience in market research or insight roles, preferably in a client-facing capacity
- Strong knowledge of quantitative and qualitative research methodologies
- Proven track record of managing complex research projects end-to-end
- Experience presenting insights to senior clients and stakeholders

Along with your CV, please include a short cover letter (maximum 300 words) outlining why you are suitable for this role.
