Labourer (Attic Insulation)

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Our client is looking for a labourer to assist with the installation of attic insulation in residential properties, in Kerry. The successful candidate will work as part of an installation team, ensuring work is completed safely, efficiently, and to a high standard.

Key Responsibilities:

- Assist with the installation of attic insulation materials.
- Prepare work areas and ensure safe access to attic spaces.
- Load, unload, and transport insulation materials and equipment.
- Maintain a clean and tidy work environment before, during, and after installations.
- Follow health and safety procedures at all times, including the correct use of PPE.
- Operate basic hand and power tools safely.
- Work in confined attic spaces and at height using appropriate access equipment.
- Assist with waste removal and disposal in accordance with company procedures.
- Communicate professionally with team members and customers when required.
- Complete assigned tasks within project deadlines.

Requirements:

- Physically fit and capable of manual handling.
- Previous construction or labouring experience
- Comfortable working in attic spaces, confined areas, and at height.
- Reliable, punctual, and hardworking.
- Ability to follow instructions and work as part of a team.
- Strong commitment to health and safety.
- Full, clean driving license
