Job Description

Workshop Repair Technician

Company: ProQuip Engineering Sales Ltd

Location: JFK Industrial Estate, Bluebell, Dublin 12

Job Type: Full-time, Permanent

Salary: Competitive (Negotiable)

About Us:

ProQuip Engineering Sales Ltd is a leading supplier and service specialist for industrial fluid handling and paint finishing systems in Ireland. Operating from our dedicated Dublin 12 facility, we service, overhaul, and repair top-tier industrial spray equipment for painting contractors, furniture, industrial, and automotive finishes.

Role Overview:

We are seeking a workshop-based Mechanic / Service Technician to diagnose, service, overhaul, and repair industrial fluid handling and paint spraying equipment (e.g., Graco, Wagner, Titan, Kremlin).

Key Responsibilities:

Diagnostics: Troubleshoot mechanical, pneumatic, and electric faults on paint spraying pumps, guns, and fluid equipment brought into the workshop.

Repair & Overhaul: Strip down machines, replace worn fluid sections, seals, packings, and valves, and rebuild to factory specs.

Testing: Quality-test all repaired units using high-pressure mediums to ensure stable delivery and safety before customer pickup.

Documentation: Maintain clear bench service records and log parts required for invoicing and inventory management.

Workshop Upkeep: Keep workshop tools, testing bays, and communal repair areas clean, safe,

How to apply

Application Method :

Please apply to the vacancy by the following means:

and organized.

Requirements & Qualifications

Experience: Mechanical or technical experience in a related field is highly preferred. Backgrounds in tool hire fitting, fluid handling, pneumatic pumps, hydraulics, small engine repair, or automotive mechanics translate perfectly.

Technical Skill: Strong mechanical aptitude with a solid understanding of pneumatic valves, seals, and gaskets.

Problem Solving: Ability to read technical drawings and parts schematics to troubleshoot equipment.

Communication: Fluent English to communicate effectively with the workshop team and front-office staff.

What We Offer:

Attractive, stable base salary based on your experience.

Comprehensive product training on leading global spray technology brands.

Fully equipped, modern, and structured workshop environment.

To Apply:

Submit your CV and a brief cover letter outlining your qualifications and experience to proquipeng@gmail.com or call us on 087-7839809
