Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Newcastle Service Station Limited requires a Business Analyst to work at Main Street, Ballynakelly, Newcastle, Co. Dublin, D22 E7N6.

The main responsibilities include: liaising with management and external service providers to analyse business procedures, clarify operational requirements and define the scope of existing software, hardware and network provision; undertaking feasibility studies for IT developments, including price and benefit analysis, and presenting proposals to management; advising management on emerging technologies and their potential introduction; assisting with the procurement, installation, maintenance and use of IT systems; examining existing business models and data flows and preparing functional specifications and test plans for new systems; analysing and monitoring network infrastructure and system performance; working closely with management and external providers to implement new systems.

The candidate must have at least 6 months of experience in a similar role. Salary: €36,605.00 per annum, 39 hours per week. Apply to Karen Kelly at karen@sparnewcastle.ie
