Job Description

Job Title: Electrician

Company Name: Tredwell Electrical Ltd

Company Address: Unit 5D, Delta Retail Park, Ballysimon Road, Limerick, V94T9V9

Work Address: Building 1C, Block L, Shannon Free Zone, Shannon, Co. Clare, V14 V250

Job Description:

Tredwell Electrical Ltd is seeking qualified and motivated Electricians to join our team. The successful candidate will be responsible for installing, maintaining, testing, and repairing electrical systems and equipment across residential, commercial, and industrial environments.

The role involves carrying out electrical installations, fault finding, inspections, and maintenance works while ensuring all activities are completed in accordance with electrical regulations, health and safety standards, and company procedures.

Key Responsibilities:

- Install, maintain and repair electrical wiring systems in accordance with technical specifications and safety requirements.
- Install electrical sockets, switches, lighting points and related electrical fixtures.
- Inspect electrical installations and identify faults in wiring and electrical circuits.
- Diagnose and repair faults in electrical installations using appropriate testing equipment.
- Read and interpret electrical drawings, specifications and wiring diagrams.
- Test wiring, circuits and electrical installations to ensure correct operation and compliance with safety standards.
- Carry out routine maintenance on electrical installations.
- Replace defective wiring and electrical components where required.
- Ensure all electrical installation and maintenance work is carried out safely and to the required standards.

Requirements:

- Relevant experience as an Electrician or Electrical Fitter.
- Ability to read and interpret electrical drawings and wiring diagrams.
- Experience in electrical installation, maintenance, fault finding and repair.
- Good knowledge of electrical safety procedures and standards.

Annual Salary: €43.683,12

Hourly Rate: €21.54

Hours per Week: 39 hours

Start Date: 09.11.26
