General Construction Team Leader

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Greenhill Fruit Farm is a soft fruit producer located in Co. Wexford operating in a LEAN culture built on continuous improvement, strong safety standards, and a genuine commitment to developing our teams. Due to expansion we have an exciting opportunity for a General Construction Team Leader to help shape the next stage of our growth.

Key Responsibilities:

Assist the Project Manager to lead, direct, and supervise the general construction team on a daily basis

Build new polytunnels and maintain, repair, and replace existing polytunnel structures

Plan and carry out general construction and project work

Operate farm and construction machinery safely and to a competent standard

Communicate instructions clearly to the team in both Romanian and English

Ensure all work is carried out in line with health and safety requirements (HSA-aligned)

Identify and report hazards, defects, and near misses without delay

Maintain tools, equipment, and machinery in good working order; report faults immediately

Keep work areas clean, organised, and safe

Support continuous improvement — flag better ways of working through the farm's CI system

Support and coach team members; identify training needs

Essential Criteria:

Proficiency in both Romanian and English (spoken and understood) — essential for leading a mixed-language team

Minimum 2 years' experience in general construction, agricultural, or horticultural build work

Full, valid B driving licence

Proven ability to lead and direct a small team on-site

Experience building and maintaining structures

Competent operating farm/construction machinery (digger, forklift, telehandler, or similar)

Physically fit and able to work outdoors in all weather conditions

Understanding of basic health and safety practice on a construction/agricultural site

Desirable Criteria:

Manual Handling, Working at Height, or Safe Pass certification

Telehandler / Forklift licence

Experience in soft fruit or horticultural production environments

Basic project planning or scheduling experience

Benefits:

Company events

Employee assistance program

Employee discount

On-site parking

Language:

Romanian (required)

Licence/Certification:

B Driving Licence (required)

Work Location: In person

- **Sector:** agriculture, forestry and fishing

Career Level

- Experienced [Non-Managerial]
