## Experienced Plumber – Residential Construction & Drainage

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Aria's Modular Homes Limited is seeking an experienced, qualified Plumber to support residential extensions, attic conversions and modular-home installations. The role involves first- and second-fix plumbing, domestic water and waste systems, drainage and utility connections on active construction sites.

#### Main duties

- Install, maintain and repair domestic hot- and cold-water pipework and waste-water systems.
- Carry out first- and second-fix plumbing for kitchens, bathrooms and utility areas.
- Install and connect soil, waste and vent pipework, gullies and external drainage connections.
- Install pipework for heating and hot-water systems in accordance with drawings and specifications.
- Diagnose plumbing faults and carry out repairs safely and efficiently.
- Read site drawings and coordinate plumbing works with carpenters, electricians, blocklayers and other trades.
- Follow site health-and-safety procedures and keep work areas clean and safe.

#### Essential requirements

- At least 4 years' relevant experience as a Plumber.
- Relevant plumbing trade qualification or demonstrable equivalent practical experience.
- Strong experience in domestic plumbing, drainage, pipework and bathroom/kitchen installations.
- Ability to read construction and service drawings.
- Safe Pass or willingness to obtain a Safe Pass before starting work.
- Good English communication skills and ability to work independently on site.
- Full driving licence is desirable.
