Pipe Layers / Groundworkers (Civil Engineering)

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Karl Strong Construction Limited is seeking two experienced Pipe Layers / two experienced Groundworkers for a civil engineering project in Dundalk, commencing 12 October 2026.

The successful candidates will carry out pipe-laying, drainage, underground utility and associated groundworks under the direction of the Site Manager and Site Foreman.

Key responsibilities:

- Lay drainage and utility pipes safely and accurately
- Prepare pipe beds and assist with levelling and alignment
- Assist with trench, drainage and underground utility works
- Work safely alongside excavator and site-dumper operators
- Assist with backfilling and associated groundworks
- Follow instructions from the Site Manager and Site Foreman
- Maintain high standards of site safety and workmanship
- Report problems, damaged materials or unsafe conditions promptly

Requirements:

- Minimum two years' relevant pipe-laying or groundworks experience
- Strong practical experience in drainage and underground utilities
- Valid Safe Pass
- Valid Manual Handling Certificate
- Good awareness of site safety and underground services
- Full category B driving licence and own transport
- Permission to work in Ireland

An Abrasive Wheels certificate would be advantageous where relevant cutting equipment is used.

Please email your CV and copies of relevant certification to David.Moore@kscltd.ie
