Job Description

We are currently looking for fully flexible Warehouse Operatives to join our warehouse team. Must be available to work up to 40 hours per week.

We are looking for team members to help us level up our fulfilment service helping us scale the business. This is where you come in.

What You Will Do:

As an Operative, you will be working within one of several teams:

Receiving. This team accepts our customers' new inventory and owns the entire process of getting inventory put away and accepted into our system.

Picking. This team is responsible for delivering products to the next stage of the process accurately and quickly. As an integral team member, pickers and their colleagues keep the flow of customers products moving and the warehouse humming.

Packing. This team is responsible for ensuring quality for every shipment and packaging them correctly. The team works together with picking to guarantee that shipments are fulfilled perfectly.

Other Duties as Required. As a team, you will be asked to help in other areas outside of your normal day-to-day responsibilities to ensure the operation runs efficiently and with a high level of accuracy.

Flexibility is key.

If you are an organised go-getter, love managing processes and pay attention to details, interested in joining a small team with a high growth trajectory, this is the role for you
