Cabinet Maker/CNC Operator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

The successful candidate will be responsible for operating CNC machinery, manufacturing bespoke cabinetry, assembling products and carrying out fitting work while maintaining high standards of workmanship in a fast-paced workshop environment.

Key Responsibilities

Set up and operate CNC woodworking machinery safely and efficiently.

Read and interpret technical drawings and production specifications.

Manufacture bespoke cabinetry and timber components.

Assemble and fit finished products to a high standard on off-site locations.

Inspect finished components to ensure quality standards are met.

Carry out routine machine maintenance and housekeeping.

Work efficiently to meet production schedules and deadlines.

Follow all health and safety procedures within the workshop.

Work effectively as part of a manufacturing team.
