### Job Description

Abbey Blue Media Limited seeking 1 Business & Financial Project Analyst

#### Job Description

The Business & Financial Project Analyst will support the financial and commercial evaluation of company projects. The role involves analysing financial and project data, preparing forecasts and financial models, monitoring project performance, and providing analytical findings to support effective business and project decision-making.

#### Key Responsibilities

- Conduct financial and project analysis for existing and proposed company projects.
- Prepare financial models, forecasts and performance projections.
- Analyse project costs, expected returns and financial performance.
- Review financial and commercial data to identify trends and variances.
- Assess financial risks and opportunities relating to company projects.
- Monitor project performance against forecasts and agreed objectives.
- Review relevant market and economic trends affecting project performance.
- Prepare financial analysis, project evaluation and performance reports for management.
- Provide analytical findings to support business and project decisions
