Job Description

Our client, Assured Personnel Limited, based in Swords, Co. Dublin, is currently seeking Vehicle Paint Technicians for immediate start at their facility in Swords, Co. Dublin.

Key Duties & Responsibilities

- To prepare vehicles and vehicle components for painting by cleaning, sanding, masking, filling, and priming surfaces.
- To mix and match paint colours according to manufacturer specifications and repair requirements.
- To apply primers, base coats, clear coats, and specialised automotive coatings using spray-painting equipment.
- To paint repaired vehicle panels and full vehicle bodies to manufacturer and industry standards.
- To inspect completed paintwork for defects, including runs, sags, contamination, colour mismatch, or unpainted areas.
- To carry out polishing, finishing, and rectification work where required.
- To use spray guns, paint mixing systems, sanding equipment, and other bodyshop tools safely and effectively.
- To maintain spray booths, painting equipment, and associated tools in a clean and serviceable condition.
- To comply with all health, safety, and environmental regulations relating to paints, solvents, thinners, and hazardous materials.
- To cooperate with panel beaters, mechanics, and other bodyshop personnel to ensure efficient completion of vehicle repairs.
- To have experience in accident repair centres, vehicle refurbishment facilities, dealerships, or commercial bodyshops is highly desirable.

Requirements – Skills & Experience

- Minimum 2 years' experience as a Vehicle Spray Painter, Automotive Paint Technician, or similar role within a bodyshop environment.
- A qualification in automotive refinishing is advantageous but not essential.
- Strong knowledge of automotive paint systems, colour matching techniques, and vehicle refinishing processes.
- Ability to work independently and as part of a team in a fast-paced environment.
- Strong attention to detail and commitment to quality workmanship.
- Good understanding of health, safety, and environmental regulations applicable to automotive paint operations.
- Competent in paint preparation, masking, sanding, colour matching, spray-paint application, polishing, and quality inspection.
- Experience maintaining painting equipment and handling hazardous materials safely.
