CNC Operator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Priority Drilling requires multiple CNC Operator roles for their premises at Killimor, Ballinasloe, Co. Galway,, Galway.

The salary range starts from €36,605 (18.05/hr) to €54,000 (26.63/hr) based on a 39-hour week.

Salary will increase proportionately if additional hours are required.

Salary offered shall be based on relevant experience and qualifications.

Job Description - CNC Operator sets up and operates computerized machines that precisely cut and shape metal or plastic

parts by loading materials and tools, running pre-programmed instructions, and continuously monitoring the

machine to ensure smooth operation.

The operator inspects finished parts with measuring tools to verify exact

specifications, performs routine maintenance like cleaning and tool changes, and troubleshoots any operational issues while following strict safety protocols and maintaining production record
