Job Description

Job Description:

- Ensure the highest possible levels of care are maintained by supporting and assisting the patients and those requiring daily assistance.
- Assist people in all aspects of their individual care to support their daily living.
- Observe care planning and complete accurate written daily records as instructed, in line with organisational policies and procedures.
- Assisting within a framework of interactive activities to support clients in maintaining their hobbies and interests.
- Under the supervision and guidance of senior care staff, report consistently on the well-being of those under your care.
- Carry out regular checks on people needing support at intervals determined by senior staff members.
- Practice maximum integrity in all dealings with the patients and those requiring support.
- Maintain professional knowledge and competence by attending mandatory training days or courses, on or off-site, as required.
- Participate in relevant training to achieve required qualifications.
- Report immediately to the Director of Nursing, Clinical Nurse Manager, or Person in Charge any illness of an infectious nature or accidents involving yourself, colleagues, or those you support.
- Promote safe working practices.

- **Sector:** human health and social work activities
