Job Description

Aureol Global Connections is hiring for Carpenters on behalf of FLI Precast Solutions Limited of Kilnock, Ballon Carlow, Ireland R93 E129. The Ideal Candidate will have experience in the following areas: constructing and assembling formwork systems for precast concrete products, including flat slabs, bespoke moulds, and chamber shuttering. The role involves reading and interpreting technical drawings, operating hand tools, and working with gantry cranes in a production environment. Responsibilities include producing work to specification, maintaining productivity and quality standards, supporting other stages of the manufacturing process as required, and ensuring work areas are kept clean and free from hazards. The successful candidate may also assist with the training of trainee carpenters and will follow all health and safety procedures within the workplace. Experience in carpentry, shuttering systems such as Doka, Peri, or Ulma, and manufacturing environments would be beneficial. The position requires attention to detail, flexibility, the ability to work independently or as part of a team, and a reliable approach to attendance and timekeeping. This is a full-time role of 39 hours per week with an annual salary range of €36,605-€40,000. Interested applicants should send their CV to info@aureolglobalconnections.com.
