Electrician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is seeking experienced Electricians on behalf of Breedon Cement Ireland Limited, Killaskillen, Kinnegad, Co. Westmeath, N91 D253. The ideal candidates will be responsible for carrying out electrical maintenance, fault finding, and repair work on plant machinery and fixed production equipment to ensure safe and efficient operations. Duties include preventative maintenance, inspection of electrical systems to meet health and safety standards, installation and maintenance of industrial instrumentation, calibration of pressure, temperature level, weighing, and analytical equipment, and assisting with commissioning electrical projects. Candidates should be able to proactively identify problems, analyse faults, maintain high work standards, and work effectively under pressure in a busy industrial environment. Experience with HV motors, HV switchgear, motor control circuits, and Allen Bradley or Siemens PLC systems would be an advantage. Applicants should have more than 2 years electrical maintenance or installation experience. Annual salary is €54,127.32 based on a 39 hour working week. Interested applicants should send their CV to info@aureolglobalconnections.com
