Job Description

Architectural & Metal Systems Ltd. is Ireland's only independently owned manufacturer of extruded aluminium profiles. We specialise in aluminium extrusion, powder coated aluminium and sheet metal fabrication as well as providing many other services from our vast 400,000 sq. ft. facility. AMS also supply a wide range of thermally efficient aluminium windows, door, and other commercial systems to various industries globally. The company's business divisions include standard engineering products, architectural glazing systems, curtain walling architectural paint finishes, anodising and a bespoke aluminium design & extrusions service.

We are currently recruiting for a number of General Operative positions. Working hours vary depending on the role, with a range of shift patterns currently available.

Available Shift Patterns:

Option 1

Monday to Thursday: 06:00 – 14:30

Friday: 06:00 – 13:30

Option 2

Monday to Thursday: 08:00 – 16:30

Friday: 08:00 – 15:30
