In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

OXYGEN ENVIRONMENTAL REQUIRE MECHANICS WITH FLEXIBILITY - SUPPORTING ALL SITES

About Oxygen Environmental

We are Ireland's leading integrated waste management and recycling company. Oxygen is dedicated to the diversion of waste from landfill through the re-use of valuable resources to create closed material life cycles. The old adage of 'waste not, want not', is key to the Oxygen ethos. Producing secondary raw materials and reprocessing to produce new products promotes resource efficiency and is an environmental necessity.

We are seeking qualified mechanics for our long standing family business.
