HGV Mechanic

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Company: Virginia International is in an exciting period of sustained growth. We recently extended our warehouse and are expanding our large, top-of-the-range fleet of modern tractor units, which includes Scania, Renault, DAF, and Volvo. All are 100% Euro-compliant and part of our 3-to-5-year replacement programme.

As the company grows, so does our fleet, allowing us to meet the demands of our extensive customer base across Ireland, the UK, and mainland Europe.

Are you a skilled and experienced HGV mechanic looking for an exciting new opportunity?

Duties and responsibilities:

Perform routine maintenance and repairs on various heavy goods vehicles, i.e. CVRT preparation, diagnostics, and repairs to a fleet of trucks and trailers.

Conduct examinations to diagnose faults and carry out the necessary repairs efficiently.

Respond to daily checks as drivers report, identifying routine and non-routine defects while working to high standards per technical standards.

Work closely with the transport team, informing them of progress, to ensure vehicles are available to service planned collections for the end customer.

Comply with Health, Safety and Environmental legislation in line with company, RSA and other governing bodies guidelines to ensure all work is completed to the highest safety and quality standards

Assist with the mentoring and coaching of other team members such as technicians and apprenticeships.

Co-operate fully with all provisions taken by the company to ensure the health, safety, and Welfare of co-employees and members of the public.

Personal Specification

Experience in Renault, Volvo and Scania preferable

Excellent diagnostic and problem-solving abilities.

Strong attention to detail and commitment to quality workmanship.

Ability to work independently and as part of a team

Self-motivated with a strong work ethic and ability to prioritise workload.

Eagerness to learn and share knowledge and wiliness to teach apprenticeship.

Flexible with drive to meeting work deadlines while remaining calm and focused.

- **Sector:** transportation and storage

Career Level

- Experienced [Non-Managerial]
