Job Description

Job Title: Computer Service Engineer

Employer: PC House Limited

Location: 12A Frederick Street North, Dublin 1

Annual Salary: €36,605

Hours: 39h per week

JOB PURPOSE:

To diagnose, repair and maintain laptops, desktop computers and related equipment from different manufacturers, while providing technical assistance to customers.

MAIN DUTIES:

- Receive customers and obtain information about equipment faults.
- Inspect and diagnose problems with laptops, desktops and computer components.
- Diagnose and repair motherboards and electronic circuits at component level.
- Use oscilloscopes, multimeters, microscopes and other testing equipment.
- Analyse circuit diagrams, electrical signals, charging systems and power-management circuits.
- Repair or replace faulty components, including screens, batteries, keyboards, connectors, storage devices and memory.
- Perform soldering and motherboard rework.
- Carry out electrical and load tests and confirm that equipment is working correctly after repair.
- Review datasheets and select compatible replacement components.
- Install or update BIOS, firmware, operating systems and drivers when required.
- Build, configure and upgrade desktop computers.
- Identify the causes of recurring faults and develop practical repair and testing procedures.
- Explain diagnostic results, repair options and recommended upgrades to customers.
- Maintain accurate records of diagnostics, repairs, components and test results.
- Train and assist other technicians with advanced repairs and diagnostics.

QUALIFICATIONS AND EXPERIENCE:

- Degree in Computer Engineering, Electronics Engineering or a related area.
- At least three years' relevant experience in computer hardware or electronic repairs.
- Experience with motherboard and component-level diagnostics.
- Ability to use electronic testing and soldering equipment.
- Knowledge of computer hardware, operating systems, BIOS and firmware.
- Good technical, problem-solving, communication and customer-service skills.
- **Sector:** other service activities

Career Level

- Experienced [Non-Managerial]
