Computer Numerical Control (CNC) Machinist

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring for Computer Numerical Control (CNC) Machinists on behalf of Dooley Precast Concrete Limited of Cloonagh, Roscrea, Co. Tipperary, E53WT26 Ireland. The ideal candidate will have experience in CNC machine operation and setup, machining, drilling, cutting, and the production of components to precise specifications. The role involves reading technical drawings, setting up tooling and workpieces, measuring finished products, carrying out quality checks, and performing routine machine maintenance. Candidates should have a good understanding of manufacturing processes, measurements, and tolerances, while maintaining high standards of safety, accuracy, and productivity within a busy production environment. This is a full-time role of 39 hours per week with an annual salary range of €36,605-€40,000. Interested applicants should send their CV to info@aureolglobalconnections.com.
