Job Description

Full job description

Skilled and semi skilled roofing and Cladding operatives.

About us

We are a busy specialist roofing contractor in Dublin. We build high-quality Metal roofs and Cladding systems. Due to more work, we need skilled and semi skilled roofing installers to join our team.

This role requires exceptional workmanship, sharp attention to detail, and strict adherence to quality and safety standards.

Job Duties

Install standing seam Metal roof panels, Zinc, Copper or Aluminium

Measure, cut and fit Metal sheets, flashings and trims safely

Remove old roofing materials and repair roof decks

Read and follow technical drawings and project plans

Follow all site and safety rules

Candidate Requirements

Must have some construction experience.

Previous roofing or Metal fabrication experience an advantage

Valid safe pass and Manual handling certificates.

Ability to work well in a team and on your own

Salary negotiatble depending on experience

- **Sector:** construction

Career Level

- Experienced [Non-Managerial]
