Welder / Metal Fabricator

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are currently looking for two Welders/Metal Fabricators who will be responsible for fabricating, welding, and repairing metal structures, equipment, and machinery used in daily farm operations.

Key Duties

Weld, cut, and fabricate gates, feeders, trailers, and structural frames. Repair broken metal components and farm machinery parts. Operate MIG/TIG welding, cutting, and grinding tools.

Maintain workshop tools and ensure safe working practices.

Support general farm maintenance when required.

Skills Required

MIG/TIG welding, metal fabrication, cutting/grinding tools, ability to read basic drawings, safe workshop practice.

Experience

Previous welding or metal fabrication experience required; agricultural machinery experience an advantage.

Terms & Conditions

Full-time position; competitive pay; onsite work at farm location.

Remuneration is €36,605.00 based on 39 per week work.

- **Sector:** agriculture, forestry and fishing
