Science Communicator - North Dublin/ Meath

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

The job will involve designing and delivering science camps, clubs and workshops in various different science disciplines to 5 - 15 year olds. The majority of our teaching work is during the afternoons, summer holidays and at weekends.

A science qualification - probably to degree level but other science qualifications will be considered.

Full driving licence and your own transport.

Experience working with children and an interest in teaching and education.

Be able to work on your own initiative and independently.

A passion for science and the ability to enthuse others.

You must be willing to submit for Garda vetting.

- This vacancy is suitable for Remote/Blended working
- **Sector:** education
