Job Description

Aureol Global Connections is hiring Fencing Operators on behalf of Woodtown Fencing Limited, Unit 3, Castlebaggot, Newcastle, Co Dublin D22 FF08. The ideal candidate will have experience in the following areas: installing, repairing, and maintaining a wide range of fencing systems, including timber, steel, mesh, and security fencing, across residential, commercial, and industrial projects. The role involves site preparation, measuring and setting out fence lines, installing posts and fencing materials, operating fencing tools and machinery, and carrying out repairs and upgrades as required. Candidates should be capable of reading site specifications, ensuring projects are completed to a high standard, and maintaining compliance with health and safety procedures at all times. Experience working independently and as part of a team is required, along with the ability to meet project deadlines, deliver quality workmanship, and provide durable fencing solutions that meet customer and site requirements. Attention to detail, physical fitness, and practical experience with fencing installation and maintenance are essential for this role. This is a full-time role of 39 hours per week with an annual salary range of €36605- €40000 Interested applicants should send their CV to info@aureolglobalconnections.com.
