Robotic Weld Technician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Aureol Global Connections is hiring Robotic Weld Technician on behalf of Dromone Engineering Limited, Dromone, Oldcastle, Co. Meath, A82 YH63. The ideal candidate will have experience with robotic welding equipment, good knowledge of MIG/TIG welding processes, and the ability to read and interpret engineering drawings and weld specifications. You will work closely with production and engineering teams to optimize weld performance, reduce downtime, and maintain safety and quality standards in a fast-paced manufacturing environment. Good problem-solving skills, attention to detail, and a commitment to continuous improvement are essential for success in this position. This is a full-time role of 39 hours per week with an annual salary range of €36,605 - €40,000. Interested applicants please send your CV to info@aureolglobalconnections.com.
