## Plant Mechanics

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Our client, Kilcarrig Quarries Ireland Limited, based in Bagenalstown, Co. Carlow, is currently seeking Plant Mechanics for immediate start at their facility in Bagenalstown, Co. Carlow.

#### Qualifications:

2-3 years' Plant Mechanic experience required. Mechanic Certification preferred but not essential. There are no minimum academic requirements. Further training will be provided on-the-job as required.

#### General Duties / Responsibilities / Experience:

- To maintain, troubleshoot, repair, and service machinery and equipment used in quarries, quarrying and related activities
- To ensure that all plant machinery is operating efficiently and safely, to minimize downtime, and to support the overall productivity of the plant
- To perform regular maintenance checks on plant machinery, including mixers, conveyors, pumps, crushers, and batching systems.
- To conduct preventative maintenance tasks to extend the life of equipment and minimize breakdowns.
- To lubricate machinery, replace worn parts, and ensure all components are in good working condition.
- To identify mechanical, electrical, and hydraulic issues in plant equipment and diagnose problems accurately.
- To repair or replace faulty parts, ensuring that all machinery is returned to full operational capacity in a timely manner.

- To perform both scheduled and emergency repairs to minimize downtime.
- To ensure all work is conducted in compliance with health, safety, and environmental regulations.
- To maintain accurate records of maintenance, repairs, and inspections performed on plant equipment.
- Essential knowledge includes mechanical, electrical, hydraulic, and pneumatic systems, as well as the ability to diagnose and fix issues promptly to ensure smooth plant operations
- Essential knowledge includes strong mechanical, electrical, and hydraulic knowledge, ability to read technical drawings, schematics, and manuals, and excellent trouble-shooting and problem solving skills
- Essential skills include application of relevant health & safety and environmental legislation, performance of system checks and adjustments on machinery, and monitoring of inventory supply for required equipment
- Candidates must be competent to assist in the installation and commissioning of new equipment or upgrades
- Candidates must be competent to monitor stock levels of spare parts, tools, and equipment needed for maintenance and order parts and supplies as needed
- A mechanic qualification or certificate is a bonus but is not mandatory
- 2-3 years' of proven relevant experience as a Plant Mechanic is required. Experience in the quarry industry is a plus

Annual remuneration: €36,605.00; Pay rate €18.05 per hour

Work Location: Kilcarrig Quarries Ireland Limited, Kilcarrig, Bagenalstown, Co. Carlow, R21 AP52.

Number of hours work each week: 39
